

WORLD RELIGIONS + WORLD MISSIONS
SPRING 2021

CORE

BIBLICAL FOUNDATIONS FOR SPIRITUAL GROWTH

THE **passion** INSTITUTE

CLASS SCOPE

This class is designed to give you a perspective on the global scale of the Church. There is so much that God is doing through His people around the globe, and we want to help you be a part of making His name famous. You will hear about the what, why, where, and how of world missions. You will also become familiar with the other religions around the world, in order that you may understand what sets Christianity apart from them. Jesus commands us to “go and make disciples”, and we want to equip you to fulfill that call.

MAIN OBJECTIVES

1. **Identify how Scripture calls us to live for the name and fame of Jesus** - The Word of God is clear on our responsibility to make disciples of all nations and to be involved in the process of expanding the name and fame of Jesus all around the globe.
2. **Learn how Christianity is distinct among other world religions** - There are many religions throughout the world, some major and some minor. Instead of learning the answers to a few trivia questions on each religion, in this class you'll learn how and why Christianity stands above the rest.
3. **Understand the contextualization of the Gospel across different ethnic and cultural barriers** - Although the truth of the Gospel never changes, how it is received and how it is absorbed can shift in different areas of the world.
4. **Discover practical ways to be on mission in your everyday life** - Some of you will be called to go to the nations. But most of us will be called to stay, and live on mission here, in our businesses, our neighborhoods, and our families.
