

SCRIPTURE NARRATIVE  
*SPRING 2021*

# CORE

BIBLICAL FOUNDATIONS FOR SPIRITUAL GROWTH

THE **passion** INSTITUTE

## CLASS SCOPE

The Scripture contains the greatest story that has ever been told. It is a collection of sixty six unique books, inspired by God, written by 40+ authors. Taken together, the Scriptures tell one unified story. This class is designed to help you grow in your knowledge and understanding of that story and the ways it points to the glory of God.

## MAIN OBJECTIVES

1. **Identify the main story of the Scripture** - Finding the Bible's message and overarching structure is a foundational component of being able to interpret it.
2. **Realize how each Book contributes** - Each book uniquely adds value and purpose within the greater Scripture Narrative. In this class, you'll build out your framework for these individual books within the larger story.
3. **Know your way around the Scripture** - There are a handful of key markers throughout Scripture that will allow you to navigate and move from book to book and section to section.
4. **Convey the Word's authority** - The Scripture is infallible, and as such, we must understand how the narrative fits together so that we may speak, teach, and lead in truth and conviction.
5. **Prepare to communicate the Narrative** - At the end of this class, our hope is that you would be equipped and ready to share the story of Scripture with others around you.
